French President Nicolas Sarkozy has married the Italian model and singer Carla Bruni, in Paris. It has been a very short, but very public romance.

Sarkozy and Bruni met in November, a month after Sarkozy's divorce from his ex-wife, Cecilia.

The president has got a ten-year-old son, Louis, from his marriage to Cecilia and two sons, Pierre, 22, and Jean, 21, from his first marriage to Marie-Dominique Culioli.

Carla Bruni, a singer and ex-model, has got a son from a previous relationship with French philosopher Raphael Enthoven.

Sarkozy's popularity has fallen as a result of over-exposure of his private life.
